**CHANGE THE WAY YOU FEEL ABOUT MONDAYS AND TRANSFORM THE  
WAY YOU APPROACH YOUR WORK!**

St. Timothy Business Network (STBN) along with Christians in Commerce (CIC) announces today they will be hosting a half day seminar, "Hope for the Workplace" at Chantilly National Golf & Country Club, 14901 Braddock Rd., Centreville, VA on Friday, April 25, 2008. Registration begins at 11:30 A.M., with lunch being served from Noon to 12:45 P.M. Cost is \$39.00 per person all inclusive.

Hope for the Workplace is a 4 hour ecumenical seminar that will help you discover how you can participate in making the kingdom of God a reality in your workplace. Filled with examples of people living the life of Christ in their work lives, it illustrates how you can make a real difference in today's business world. Facilitated small group work sessions apply what you learn and help you generate action ideas for going forward in your workplace.

Hope for the Workplace examines the problems that are at the core of today's workplace, the fullness of God's solution and how each of us can actively participate to make a difference. The three talks explore:

#### **"Christians in the Thick of Things"**

Today's workplace is intense, competitive and demands a lot from its people. We see a dominant concern for self over the interests of others, moral confusion, success measured by power, possessions and pleasures, and people acting as if God does not exist.

#### **"The Creator Answers"**

Our daily work is a part of God's design for the advancement of His creation that builds on the foundation laid by Jesus Christ and the coming of His Holy Spirit.

#### **"Christ Alive in the Workplace"**

God calls everyone to join with Him in recreating and healing this battered world. Our call is to be Christ, to live our new nature, realizing that God is with us and in us. We take Him everywhere we go, including the workplace.

This seminar's speakers will be William Dalgetty, President of CIC and retired Corporate Attorney and General Manager of Environmental, Health and Safety for Mobil Corporation of Vienna, VA., Therese McNichol, President of Women's Christians in Commerce chapter in Northern VA, and Walt Seale, Director of Formation and Growth for Christians in Commerce.
